

Map Test Assignment

The packet attached contains 5 maps. These maps are to be labeled and studied for the map test on **Friday, August 14th**. For the test, you will receive identical blank maps and be asked to fill in each item.

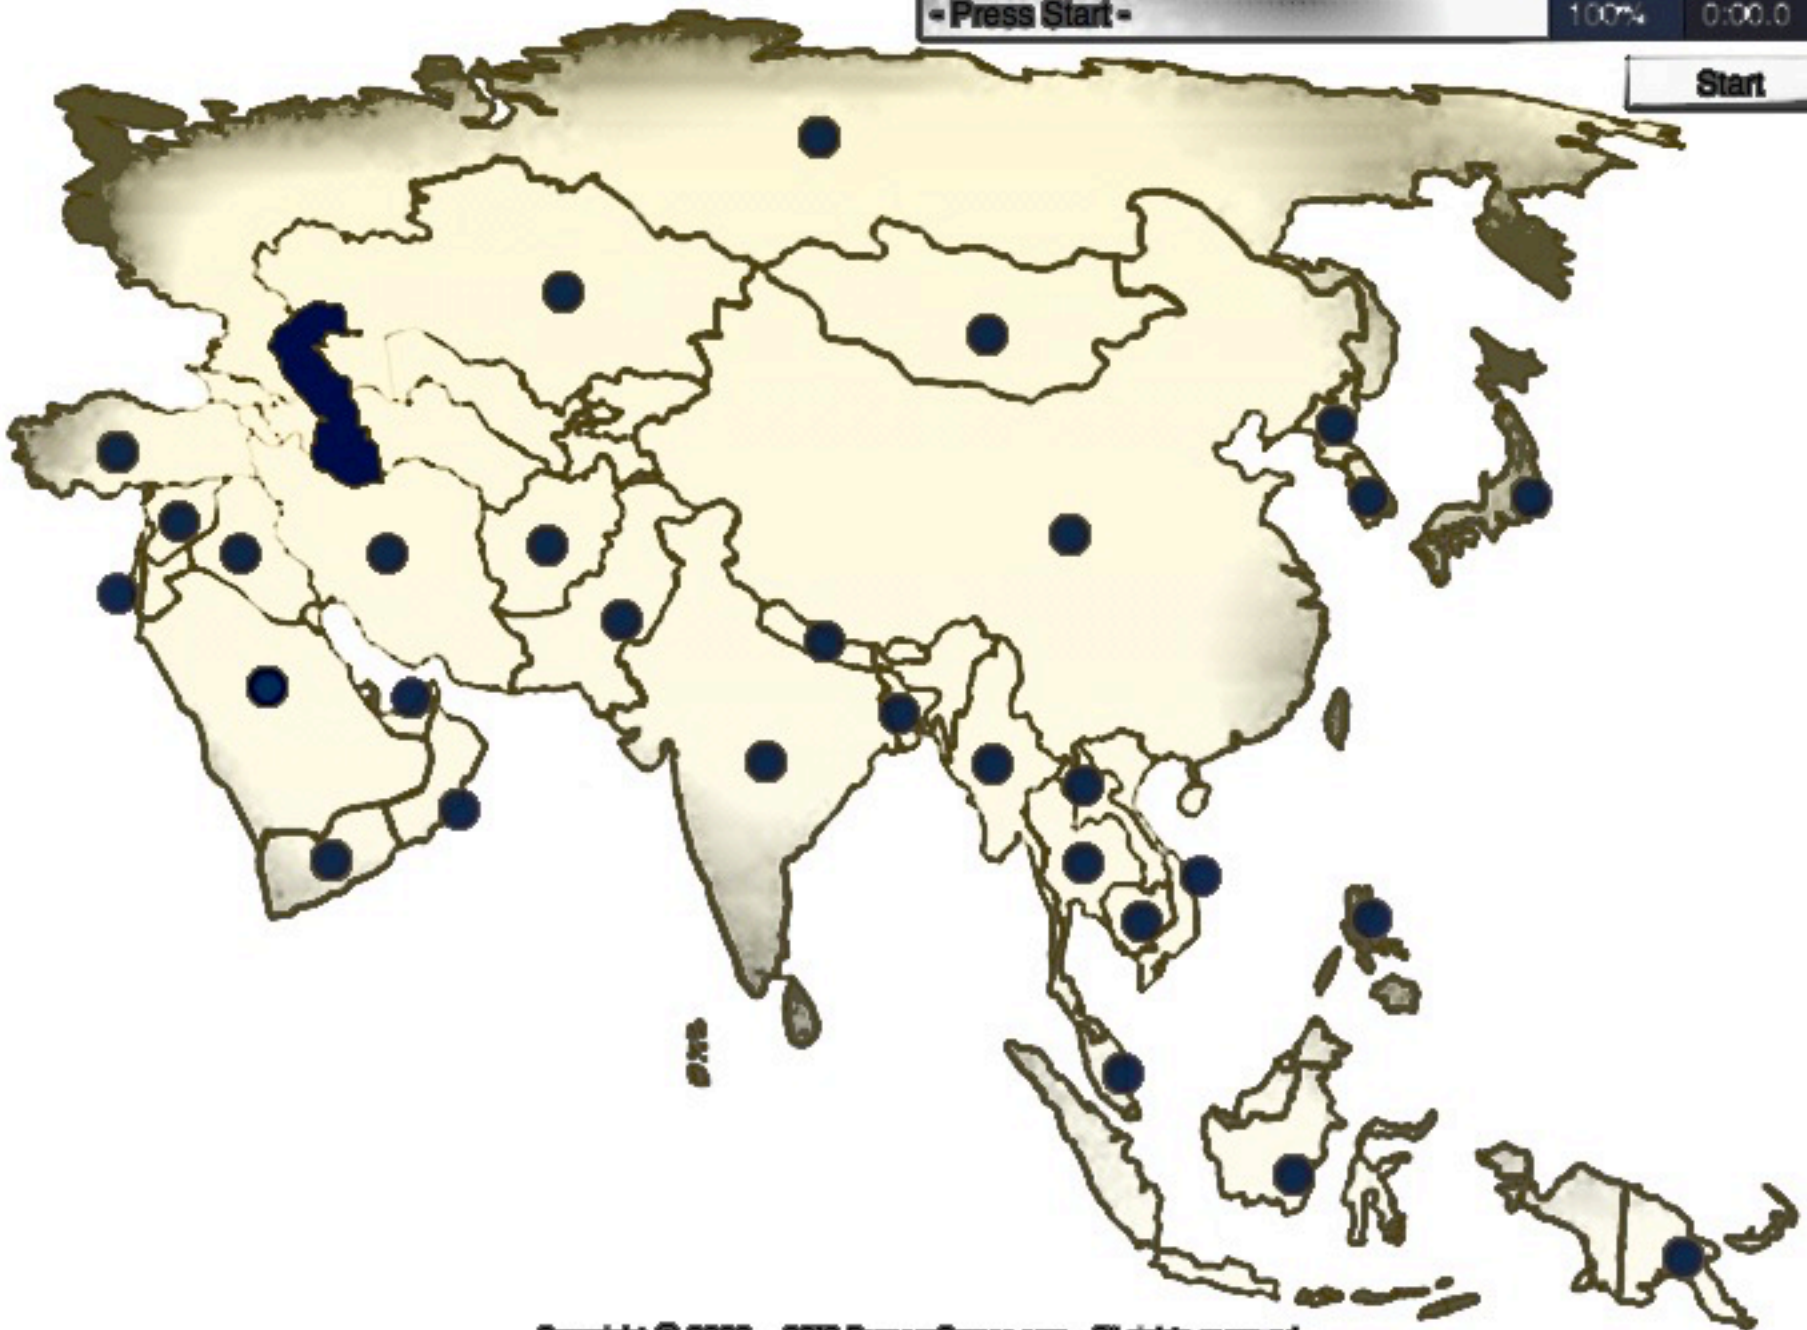

The best way to study these maps is to use the games at rocketsocialstudies.com under the AP World tab. The games are really fun and you'll find that you learn the maps very quickly by just playing the games.

The map exam will count as your first exam grade, which counts as **35% of your total grade**. It would be wise to study throughout the summer as to become familiar with the content. A last-minute cram session will likely prove to be a bad idea.
