

5.1

Characteristics of Industrial Revolution (IR)

How IR came around

Where IR started and spread to. Why it didn't spread elsewhere.

Pop pop in IR

Tech in IR and second IR

Suez and Panama Canals. Why they matter.

Protestant work ethic

Domestic system

Urbanization

Adam Smith and his influence on IR

Characteristics of capitalism and communism

Why capitalism/IR didn't spread to Ottoman Empire and Qing China

How that led to the fall of both

Financial causes of IR

Mill's influence on IR

Details about Mills' ideas

Whitney

The transportation revolution

How IR changed society

Bourgeoisie/proletariat

What life was like for workers at the start of the IR

New family model in IR

Meiji Restoration

2nd Industrial Revolution. How it was different from the first. When it happened.

Things to know about capitalism and communism:

The father of each

Why each of them "will work"

The major aspects of each

The involvement of the gov in each

Criticisms of each

Marx's idea that history has been a history of class struggle

5.3

Nationalism

How enlightenment led to revolutions

Rousseau (don't worry about the handout on Rousseau)

Locke

Montesquieu

Hobbes

How each of the following show enlightenment ideals and their correlation to revolution:

American Declaration of Independence

French Declaration of the Rights of Man and Citizen

Jamaica Letter

How the enlightenment led to the changing of social structure

The relationship between Marathas and Mughals in India

Revolutions you need to know:

American

Haitian

Mexican #1, #2

Venezuelan

"Brazilian"

Boxer Rebellion

Taiping Rebellion
Sepoy Mutiny

You don't need to know all of the details from the powerpoint. Instead, focus on why they matter and how they changed the status quo. Also, how the enlightenment influenced each.

Also, what caused each revolution

Positives and negatives of the rule of Napoleon

How Napoleon's conquest screwed up Europe for like forever

How maybe the US Revolution wasn't really a revolution

The general stages of most revolutions

What happens after revolutions

Maroon societies

Millenarianism

Tanzimat Reforms and Self-Strengthening Movements

How Locke inspired revolutions

How factory conditions led to communism and socialism

Wollstonecraft, De Gouges and Seneca Falls' impact on women's rights

5.4

Migration of manual laborers

Coerced and semicoerced migrations

Indentured servitude in India and China

Convict labor in the south of the US

Temporary agricultural migrants

Ethnic enclaves

Where they were

Why they were important for migrants

Examples of how governments didn't embrace immigrants

Chinese Exclusion Acts

White Australia Policy

5.2

Examples of transoceanic empires

How England came to own India

Pros and cons of England owning India

Colonialism in the following areas. How they were colonized, why they were colonized, impact of the colonialism on the economy of the natives and the colonizers

Caribbean/Latin America

Southeast Asia

India

China

Inner Africa

Egypt

What happened before, during, and after the Boer Wars

Causes, effects

How Japan was "opened up"

How US and Russia grew their territories

Young Turks and the Turkish Revolution

Italian and German unification

Why they matter, how they happened, how nationalism influenced them

Social Darwinism

How it is related to Darwinism, why it matters, why it is flawed, what it was used for
Berlin Conference and the Scramble for Africa

Who was there. Who wasn't. Who wasn't colonized
Why South Africa was colonized twice
Why Shaka Zulu is awesome (don't need to know for the test, but you need to know because he is the most awesome human that ever lived and you probably are a human too)
South Africa after the Boer War
African National Congress
Nationalism in Egypt and how it led to the overthrow of the English
Positives and negatives of the Berlin Conference
Things that led to imperialism
 Racial factors
White Man's Burden
 What it means
Explain why the sun never sets on the British Empire
Why did the Qing Dynasty collapse
What happened in the Opium Wars
 How did they lead to the collapse of the Qing Dynasty
Treaty of Nanjing
